Technical data sheet

Fire protection bandage

Item number: 7202316

The fire protection bandage is used as cable insulation for individual cables, cable- and electrical installation pipe bundles (EIR). The insulation consists of a flexible bandage, fixed using wire. When surrounding the cables, take account of how often the appropriate medium must be surrounded. Refer to the approval for details. The bandage can be used directly next to Rockwool pipe insulation. Winding wire is included.

Intumescent material

Master data

Item number	7202316
Type	CL-KS
Description 1	Fire protection bandage
Description 2	for cable seals
Manufacturer	OBO
Dimension	1000x380x1mm
Colour	Grey-white; RAL 9002
Material	Intumescent material
